Thanks Nancy. Before 8 is good for me. We could do Timgad or Café Paul by metro center or I can come over to your area. Let's look for a day after Thanksgiving.

Yes! Lets catch up for sure. I was just talking with Lee last night about the document. Best windows for me are early morning (if no standing 8am) or after 5.

Hi Nancy. Wondering if you might be available to set up a time to get coffee or tea after the Thanksgiving holiday. I am going to help lead the effort to coordinate Agency work on PFAS and would very much like to get some of your perspectives on this. It might also be useful to connect on the draft ATSDR doc in advance of that time!
